ESD Board Goals

1. Local Service Plan – Ensure that the Local Service Plan meets the needs of all school districts and the ESD while implementing the new laws governing ESDs.
2. Sustainable Budget – Ensure that the ESD adopts a clearly articulated sustainable budget aligned with the Local Service Plan; long range plans that are easily accessible and formatted for all consumers.
3. Systems and Procedures – Ensure a comprehensive audit is conducted that informs the Board, Superintendent and Business Manager to make certain the ESD systems and procedures reflect the suggestions and practices reflected in the audit.
4. Accountability – Ensure that the ESD has an accountability measurement tool for the organization, the Board and its programs, to monitor to provide feedback, growth and support.
5. Service Culture – Ensure that the ESD operates, interacts and provides services in a manner that fosters the growth of all students, families and districts served.
6. Communications – Ensure that the ESD provides timely and relevant communications that allow districts, staff, families and the community to access information in order to meet their individual needs.
