Administrative Regulations

Administrative regulations are detailed directions governing the operation of the ESD.

The superintendent is directed to formulate such administrative regulations appropriate for the implementation of policies adopted by the Board and necessary for the consistent operation of the ESD.

When approved by the superintendent, administrative regulations will be distributed and added to the updated administrative manual.

The Board may review any administrative regulation and may revise it by majority vote if, in the Board's judgment, such regulation is not consistent with adopted policies.

Administration in Policy Absence

In cases where action must be taken within the ESD where the Board has provided no guides for administrative action, the superintendent will have the power to act, but his/her decisions will be subject to review by action of the Board at its next regular meeting. It will be the duty of the superintendent to inform the Board promptly of such action.
