**Superintendent**

The ESD superintendent is the chief executive officer of the ESD and has, under the direction of the Board, supervision of the ESD, personnel, programs and services. The superintendent shall be appropriately licensed, bonded in an amount consistent with Board policy and have the duties prescribed by the Board and the laws of this state. The superintendent is responsible for managing the ESD under the Board's policies and is accountable to the Board for that management.

The superintendent may delegate to other ESD personnel the exercise of any powers and the discharge of any duties imposed upon the superintendent by these policies or by vote of the Board. Delegation of power or duty, however, will not relieve the superintendent of responsibility for action taken under such delegation.
