Handbooks

In order that pertinent Board policies, administrative regulations, school rules and procedures may be known by all staff members, patrons, students and parents affected, South Coast Education Service District (SCESD) administrators are granted authority to issue staff handbooks or other similar informational publications.

The contents of all SCESD publications must conform with board policies and administrative regulations. The publication shall bear the name of the SCESD and be of a quality that reflects favorably on the SCESD. The Board, therefore, expects all handbooks to be approved by the superintendent or designee before publication.

All handbooks published are to be made available to the Board for informational purposes.
