First Aid**

In cases of sudden illness or injury to a student or a member of the staff, first aid will be given by first-aid certified staff. Further medical attention to students is the responsibility of the parents or guardian, or of someone the parents or guardian designate in case of emergency.

First-aid certified staff are charged with providing for the immediate care of ill or injured persons within his/her area of responsibility. Procedures for handling health emergencies will be established and made known to the staff. Each building and district vehicle will be equipped with appropriate first-aid equipment.

All employees are trained to know where first-aid supplies are kept in their work areas. Certain employees may be required to hold current first-aid cards.
