**Resuscitation Decisions**

The South Coast Education Service District (SCESD) values the contributions of all people to the overall success of all educational environments; therefore, no employee of the SCESD shall comply with any parental/legal guardian request, written or verbal, for nonresuscitation of a person. Resuscitation means to restore life or consciousness after apparent death.

In a life-threatening situation, SCESD staff will dial 911 for paramedic assistance and resuscitate any person requiring it in order to sustain life until relieved by paramedics or other appropriate medical personnel.
