Traffic and Parking Controls

The superintendent will authorize areas and post notices on ESD property designated for staff and visitor parking and such other classifications of parking areas as may be necessary. The superintendent will establish such regulations as are necessary for the use and control of staff and visitor parking areas around ESD buildings. Such regulations will be made available to the staff.

Any vehicle not parked in authorized areas may be towed away and stored and all charges for such towing and storing will be the responsibility of the owner or operator of the vehicle.
