Volunteers *

Community patrons who voluntarily contribute their time and talents to the improvement and enrichment of ESD programs and services are valuable assets. The Board encourages constructive participation of groups and individuals to perform appropriate tasks outside regular hours under the direction and supervision of district personnel.

The administration is responsible for the recruitment, use, coordination and training of volunteers. These assignments will be carried out as directed or delegated by the superintendent or designee. Every effort should be made to use volunteer resources in a manner which will ensure maximum contribution to the safety, welfare and educational growth of students.

An in-state criminal records check shall be conducted on volunteers allowed to have direct, unsupervised contact with students. A fingerprint-based criminal records check shall be conducted on volunteers that are allowed to have direct, unsupervised contact with students and that are placed into volunteer positions identified by the ESD to require a state and national criminal records check based on fingerprints (See Board policy GCDA/GDDA – Criminal Records Checks and Fingerprinting) A criminal records check will be required for persons authorized by the ESD for volunteer service that likely will not have direct, unsupervised contact with students.

A volunteer who knowingly makes a false statement, as determined by the ESD, on an ESD volunteer application form may be denied the ability to volunteer in the ESD.
