2. Use print that is of the color, size and font that allow the notification to be easily read; and

Step 2 The ESD official receiving the information or complaint shall promptly initiate an investigation and will notify the complainant when such investigation is initiated. The official will arrange such meetings as may be necessary to discuss the issue with all concerned parties within five working days after receipt of the information or complaint. All findings of the investigation, including the response of the alleged harasser, shall be reduced to writing. The ESD official(s) conducting the investigation shall notify the complainant in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law. The parties will have an opportunity to submit evidence and a list of witnesses.

A copy of the notification letter provided in step 1 and the date and details of notification to the complainant of the results of the investigation, together with any other documentation related to the sexual harassment incident, including disciplinary action taken or recommended, shall be forwarded to the superintendent.

Step 3 If a complainant is not satisfied with the decision at step 2, the complainant may submit a written appeal to the superintendent or designee. Such appeal must be filed within 10 working days after receipt of the step 2 decision. The superintendent or designee will arrange such meetings with the complainant and other affected parties as deemed necessary to discuss the appeal. The superintendent or designee shall provide a written decision to the complainant within 10 working days.

Step 4 If a complainant is not satisfied with the decision at step 3, the complainant may submit a written appeal to the Board. Such appeal must be filed within 10 working days after receipt of the step 3 decision. The Board shall, within 20 working days, conduct a hearing at which time the complainant shall be given an opportunity to present the appeal. The Board may use executive session if the subject matter qualifies under Oregon law. The Board shall provide a written decision to the complainant within 10 working days following completion of the hearing.

The superintendent will cause the notice requirements identified in step 1 to be completed and the notice to the complainant when the investigation is initiated. The superintendent will investigate the complaint and will notify the complainant in writing that the investigation is concluded and if a violation of the policy was found to have occurred to the extent allowable by law. If the complaint remains unresolved within 10 working days of receipt by the superintendent, the complainant may appeal to the Board in step 4.

Complaints against the superintendent may start at step 4 and should be referred to the Board chair on behalf of the Board. The Board chair will cause the notice requirements identified in step 1 to be completed and the notice to the complainant when the investigation is initiated. The Board chair shall present the complaint to the Board. The Board may use executive session if the subject matter qualifies

under Oregon law. If the Board decides an investigation is warranted, the Board may refer the investigation to a third party. When the investigation is complete, the results will be presented to the Board. The Board chair shall notify the complainant in writing that the investigation is concluded and if a violation of policy was found to have occurred to the extent allowable by law. After receiving the results of the investigation, the Board shall decide, within 20 days, in open session what action, if any, is warranted.

All documentation related to sexual harassment complaints may become part of the employee's personnel file, as appropriate. Additionally, a copy of all sexual harassment complaints and documentation will be maintained as a confidential file and stored in the ESD office.

The superintendent shall report the name of any person holding a teaching license or registered with Teacher Standards and Practices Commission (TSPC) or participating in a practicum under Oregon Administrative Rule (OAR) Chapter 584, Division 17, when, after appropriate investigation, there is reasonable cause to believe the person may have committed an act of sexual harassment. Reports shall be made to TSPC within 30 days of such a finding. Reports of sexual contact with a student shall be given to a representative from law enforcement or Oregon Department of Human Services, as possible abuse of a child.
