Equal Educational Opportunity**

Every student served by the ESD will be given equal educational opportunities regardless of age, sex, sexual orientation¹ race, religion, color, national origin, disability, parental status, familial status, marital status, linguistic background, culture, socioeconomic status, capability or geographic location.

No student will be excluded from participating in, denied the benefits of, or subjected to discrimination under any program or service conducted by the ESD or denied access to facilities in the ESD.

A student or parent may also access and use the ESD’s general complaint procedure through Board policy KL - Public Complaints.

All reports, complaints or information will be investigated.

The ESD will communicate the availability of policy and available complaint procedures to students and their parents through available ESD communication systems, handbooks and will be published to the ESD website and made available at the ESD office during regular business hours.

A student of the ESD may not be subjected to retaliation by the ESD for the reason that the student has in good faith reported information that the student believes is evidence of a violation of a state or federal law, rule or regulation.
