Board-Superintendent Relationship

The superintendent shall be the chief executive officer and shall be responsible for the professional leadership necessary to translate the will of the Board into administrative action.

The superintendent shall be responsible for all aspects of ESD operation and for such duties and powers pertaining thereto as directed or delegated by the Board, and to develop such procedures and regulations as they consider necessary to ensure efficient operation of the ESD.

The Board expects that the superintendent is professionally able and possesses outstanding qualities of leadership, vision and administrative skill and that the superintendent will implement all Board policies in good faith.

The superintendent can expect the Board will respect the superintendent's professional competence and extend to them full responsibility for implementation of Board policy decisions.

The Board holds the superintendent responsible for carrying out its policies within established guidelines and for keeping the Board informed about ESD operations.
