

NOVEMBER NEWS

November: Fall...Food...Family...Fun!

We encourage you to participate and support your child's learning at home by checking out related books and/or finding activities on the computer or tablet.

Most importantly make it fun and exciting! Children learn through play. Remember you are your child's **FIRST** and **MOST IMPORTANT** Teacher!

Themes

Gobble up these November themes!

November is a wonderful time to gather with family. Whether you celebrate Thanksgiving or not, we all should take time to appreciate family.....whatever family may look like for you. This month help your child expand their vocabulary with words related to the above themes.
