Tips & Tricks

Help to - Provide the child with something that is hard to open such as play-doh containers, twist off tops, or latched boxes. Wait to see if the child brings it over to you and model words they can use such as, "Open box", "Open, mom" or "Need help". Wait for the child to imitate you before opening the box for them.

Reminder: Send your child with warm clothes and shoes. We still go outside to the playground rain, shine, or snow!
