

# JUNE NEWS

Summer is upon us.....

And wow!.....this is the last newsletter of the school year! We have enjoyed having your child in our class and hope you have a safe and wonderful summer!

## Themes

June Themes:

**Camping** | **Summer**

For the last couple weeks of school, it is all about fun in the sun!

And these themes promote getting out there! Perhaps take your child camping? Or maybe just a trip to the beach, a park, a hike, fishing, or a picnic. There is a lot of vocabulary that you can teach your child on your outdoor adventures. So, get out there, get talking, and have some fun!

## Parent Opportunities

It's not too late to join the Parent Group! And perhaps now is the best time so that you and your child can connect with other parents and children this summer! Join the **EI/ECSE Parent Group**. This is a place for parents to connect and support each other.....and perhaps have a little fun in the process. ☺
